

FRIENDS *don't count* CHROMOSOMES

The Friendship Circle operates on a simple premise: everyone deserves a friend. Through a slew of social programming and the help of hundreds of teen volunteers, we are creating a world where children and adults with special needs experience acceptance, inclusion and friendship as contributing members of our communities.

OUR PROGRAMS

MOMMY & ME TEEN SCENE
MITZVAH VOLUNTEER PROGRAM

sibling circle

Our Sibling Circle creates a fun, safe space for your child to meet other children who have siblings with special needs. Centered around creative activities and trips, the circles are led by a social worker fostering open discussion and important conversation in an open, comfortable setting.

THE JUNIOR SIBLING room is geared for boys and girls ages 5-8.

THE PRE-TEEN SIBLINGS program is geared for boys and girls ages 9-11.

sundays @ fc

Sundays at the Friendship Circle are packed with innovative and fun programming for children, teens and young adults with special needs. With a range of rooms geared for all ages, skills and social levels, our special friends enjoy arts & crafts, music therapy, hip hop, drama, sports and martial arts with an emphasis on social interaction and life skills practiced in the real world.
